

## APCADEC NOMINATION FOR IFPSM AWARD

### “Purchasing Professional Award”

**Eduardo Branco** – Member of the Board – PT Compras (the enterprise of Portugal Telecom Group, responsible for Trading and Purchasing).

For his contribution for the development of the “purchasing function” in a multinational organization.

For the results achieved in the optimization of the relationship with the supply chain.

For his contribution in the development of skills of purchasing professionals in the company and his attitude of sharing experiences among the purchasing professionals.

Among these factors we highlight the centralization of purchasing strategy in countries where the PT Group operates (Portugal, Brazil, Botswana, Cabo Verde, São Tomé e Príncipe, East Timor, Hungary, Angola, Namibia and China). The internationalization of the procurement function of PT Group headed by Eduardo Branco took a picture of total integration in the dynamics of local markets, particularly in matters of legislation of each country as well as the specificity of each client.
